August 2009

Dear Friend of the Word:

We're making progress following in the footsteps of Paul.

Earlier this year, the Arabic *Fire Bible* was launched (you can see footage of the dedication and launch at BibleAlliance.org). And now the Turkish *Fire Bible* is at the press!

That leaves Hebrew, Italian and Greek to complete, and then we will have the ***Fire Bible* available in the heart language of every country where the great apostle Paul walked here on earth.**

As Paul walked through Turkey, he planted the church at Ephesus, Colossae and Galatia. Reread the books to these churches when you get a chance. The seven churches of Revelation are also found in Turkey.

But sadly, you won't find many churches in Turkey today. **Turkey is 99.8 percent Muslim.** It is slightly larger than Texas and home to 73 million people and is considered **one of the most unreached countries in the world.**

There are only 4,000 known believers in the country. Many of them are persecuted, and some have been martyred for the sake of the gospel. They are truly following in the footsteps of Paul.

Just think. There are probably fewer Christians in Turkey now than when Paul left his footprints on the Turkish soil.

You can leave your footprint on the souls of brave Turkish believers today.

While the Turkish *Fire Bible* is at the press, we still need \$84,000 to pay the printer for the final printing bill. I'd like to ask you to ask the Author of the Book we publish, if He would have you help us with this printing money. **Each \$10 you give will**

leave a lasting footprint on the soul of a valiant Turkish believer and help the national church in its efforts to bring revival to this largely Muslim nation.

That is why we are producing **the Turkish *Fire Bible***. We, along with the national church, are anticipating a great Pentecostal revival in Turkey.

Will you pray and believe with us for that revival?

Will you pray and believe with us that the Turkish *Fire Bible* will be singularly used by the Holy Spirit to help bring about revival in this land where the first church was planted by the apostle Paul?

The Turkish church is small, but **it has a large vision to take the Good News** to millions in this nation.

Thanks in advance for following in the footsteps of Paul with us and leaving a lasting footprint on the souls of believers by **making available to them the *Fire Bible*** in a language they can read and understand.

Turkey is rocky soil. Footprints are hard to find in rocky soil, but the Holy Spirit is able and we believe He is ready to send revival to that nation.

Please be in prayer for the upcoming Turkish *Fire Bible* launch later this year.

And please ask the Author of the Book we publish, how many He would have you provide today.

Yours for Turkey,

Alton Garrison
President
Assemblies of God Bible Alliance

P.S. On December 13, we will celebrate **Bible Sunday in the Assemblies of God**. On that day, individuals and churches across our Fellowship will join hands with us to help complete the *Fire Bible* in all five languages: Arabic, Greek, Hebrew, Italian and Turkish. If you believe your church would like to celebrate Bible Sunday on December 13 or any Sunday this year, **please let your pastor or missions director know** that we have **free 2009 theme materials** — *In the Footsteps of Paul* DVD, posters, offering envelopes and other items. To order, they can visit **BibleAlliance.org** or call us at 417.832.0440 or 800.532.0440.

*The Turkish Fire Bible is at press,
after many long, hard hours of
teamwork by the translation team.*

THE FOOTSTEPS OF PAUL

Turkey is about the size of Texas with 77 million people (three times the population of Texas). It is considered one of the most unreached countries in the world.

Walk in the footsteps of the apostle Paul with us today and leave your footprints on the lives of Turkish believers! Help us place the Turkish *Fire Bible* in their hands and pray that it will be an instrument of revival. The Turkish *Fire Bible* is at the press right now, and we still need \$84,000 to finish the printing! Every \$10 gift you give will make available a *Fire Bible* to an overseas pastor or lay worker in their language.

Once we complete the *Fire Bible* in five languages — Arabic, Greek, Hebrew, Italian and Turkish — we will have the first Pentecostal study Bible ever available in those countries where Paul journeyed. The Arabic *Fire Bible* is completed (watch the dedication/launch video at www.BibleAlliance.org), and the Turkish *Fire Bible* is at the press.
